Volume 136, January to December 1983

Apparatus/Equipment

Air-operated dump valve ..... Aug. 16
Apparatus rebuilding ..... Aug. 34
Are you buying the right appar.? .... Aug. 19
Automatic transmissions ..... Aug. 50
Buyers' guide ..... July 77
Color-coded grade indicator for aerials Aug. 30
Consider the carabiner ..... Apr. 29
Co-op specs & purchasing reduce appar. costs ..... Aug. 18
Don't forget about your lifebelt ..... Jan. 48
Electrical systems ..... Aug. 56
Emergency descent device ..... Oct. 52
EMS buyers guide ..... Nov. 57
Four-pumper reconstruction ..... Aug. 68
Innovations & deliveries ..... Aug. 80, Oct. 50, Dec. 58
Reflective trim adds safety to appar. (Dispatches) ..... Oct. 15
Recycling equipment ..... Nov. 18
Simple alterations improve fire flow . May 42
Spec. should include piping detail ... Oct. 32
Using all available appar. space .... Aug. 78

Arson

Fire fighters—fire setters' best friends Sept. 45
Sights and signs of arson ..... Aug. 44

Communications

A look at fire communications ..... Mar. 28
C-A-D Phoenix style ..... July 61
Communications at haz-mat incident Mar. 36
Communications improved between paramedics and hospitals ..... Mar. 32
Communications overview: the FCC Mar. 33
Fire radio frequency coordination ... Mar. 33
Updated communications system ... Mar. 22

Computers

Apple applications in a vol. dept. ... July 30
Computers: they are the real world (edit.) ..... Mar. 6
Hazardline—a rapid response for haz-mat info. ..... Dec. 52
Microcomputer maintenance ..... Mar. 25
Using microcomputers ..... July 30

Conferences

IAFC conference program ..... July 70
IAFC exhibits ..... July 73
Southern hospitality awaits IAFC .... July 68

Cover photos

Beaumont, Tex., training center .... Feb. 1
Boston apartment fire ..... Sept. 1
Cinnaminson, N.J., fire ..... Jan. 1
Hazardous materials issue ..... Dec. 1
Los Angeles commercial bldg. fire .. Aug. 1
Los Angeles office bldg. fire ..... July 1
Maitland, Fla., car-train crash ..... Nov. 1
Massapequa, N.Y., training exercise May 1
New York field communications unit Mar. 1
New York fire ..... June 1
Safety and protective clothing issue . Apr. 1
Syracuse, N.Y., apartment fire ..... Oct. 1

Dispatches

Australia's Ash Wednesday brush fires Sept. 10
Chem. blaze, toxic runoff handled smoothly ..... Dec. 18
Delayed alarm, absence of detectors leads to disaster ..... July 56
Extra effort eased the elements ..... July 56
Haz-mat teams roll in L.A. ..... Sept. 10
Highway accident claims two lives .. Nov. 12
L.A.'s slumlord crackdown ..... Aug. 52
Multiple alarm razes bldg. ..... July 56
Rising water threatens trapped driver Aug. 52
Six-alarm blaze held to main school structure ..... Nov. 12
Spotlight on for safety ..... July 86
Street boxes leaving the Boston area Sept. 10
Toxic chemicals found during fire ... July 86

Editorials

An assoc. editor's poignant lesson .. Aug. 6
Computers: they are the real world .. Mar. 6
Do we need "Emmitsburg West"? .. July 6
Do you have time for safety? ..... Apr. 6
Have you got a minute? ..... May 6
Hazardous materials, continued ..... Feb. 6
How to act when on fire ..... Sept. 4
Maintenance: a confession from a convert ..... Jan. 6
Message from a president ..... Jan. 6
There would be only one man ..... Dec. 6
Things that go bump in the night .... June 6
What are you afraid of? ..... Oct. 6

Fire Prevention

Fire fighters—fire setters' best friends Sept. 45
Management of public fire education Sept. 50

Fire Protection

Detector distribution program ..... Sept. 42
Earth-sheltered housing ..... Aug. 72
Fast-response residential sprinkler head Jan. 46
Grain dust explosions, an overview .. May 22
Kennedy Space Center fire services Oct. 36
Owners voluntarily upgrade bldg. const. after apt. blaze ..... Sept. 20
Shopping malls demand pre-incident plan ..... Oct. 18
Smoke detector survey ..... Sept. 42
Intl. concepts in fire prot. ..... Aug. 66

Fire Reports

Apartment conflagration ..... July 14
Armory fire ..... May 55
Arson fire results in arrest ..... May 62
Chemical blaze in Westbury, N.Y. (Dispatches) ..... Dec. 18
Delayed alarm, no detectors, leads to disaster (Dispatches) ..... July 56
Demolition site fire ..... Feb. 22
Dental complex fire ..... Aug. 46
Distribution center fire ..... Nov. 30
Fighting pier fires ..... Oct. 28
Fire in liquid hydrogen tanker ..... June 22
Fire on board! ..... Aug. 12
Gas well fire ..... Sept. 28
Gasoline spill ..... Jan. 31
Grain elevator fire ..... May 25
Highway accident claims two lives (Dispatches) ..... Nov. 12
Ignited gasoline vapors snake through sewers ..... June 58
Jet fuel tanker burns ..... July 108
Just a reminder (ice photos) ..... July 54
Multiple alarm razes bldg. (Dispatches) July 56
New Hampshire blaze calls for all mutual aid ..... Oct. 15
Newark's Texaco explosion ..... June 28
Over 100 simultaneous fires ..... Mar. 26
Pesticide fire tests emer. units ..... Dec. 14
Propane gas leak in vehicle causes flash fire ..... May 67
Rapid knockdown at shopping center fire ..... May 70
Six-alarm blaze held to main school structure (Dispatches) ..... Nov. 12
Stubborn house fire needed ext. attack (Dispatches) ..... Oct. 15
Toxic chemicals found during fire (Dispatches) ..... July 86
Twenty-four killed in apt. fire ..... Jan. 44
Volcano ..... June 37
Vols. battle fire in ind. complex ..... Sept. 33
"Wake up, Oren, we've got problems." Sept. 12
Wharf fire controlled with large-diameter hose ..... Oct. 28

From the Publisher

Introducing our new editor ..... Nov. 4

Hazardous Materials

A prepared approach to haz-mat incidents ..... Dec. 55
Call for haz-mat professional qual. std. Sept. 39
Chemical blaze in Westbury, N.Y. (Dispatches) ..... Dec. 18
Chemical spill spreads to major haz-mat incident ..... Dec. 32
Common nonexotic haz-mat (Isman column) ..... Oct. 10
Communications at a haz-mat incident Mar. 36
Controlling haz-mat incidents during transp. ..... June 54
Establishing control zones ..... Dec. 28
Foam ..... Aug. 55
Garages—potential haz-mat incidents (Vol. Corner) ..... Dec. 8
Hazardline—a rapid response for haz-mat info. ..... Dec. 52
Hazardous materials cont. (edit.) .... Feb. 6
Haz-mat teams roll in L.A. (Dispatches) Sept. 10
Haz-mat training ..... May 52
Liquid hydrogen tanker fire ..... June 22
Message from a president (edit.) .... Jan. 6
Major pesticide fire tests emer. units . Dec. 14
Moving haz-mats by rail (Isman column) Aug. 10
Moving haz-mats by truck (Isman column) ..... Sept. 8
Newark's Texaco explosion ..... June 28
Nitric acid spill ..... June 42
Organizing a haz-mat response team May 59
Pipelines demand pre-incident planning (Isman column) ..... Dec. 10
Pipelines: potential for a major incident (Isman column) ..... Nov. 8
Safety first at haz-mat incidents .... Apr. 18
The PCB/PVC confusion ..... Dec. 46
"This stuff is getting to all of us" .... Apr. 24
Toxic chemicals found during fire (Dispatches) ..... July 86
Train. EMS personnel to handle haz-mat incidents ..... Dec. 20
Train. personnel to handle a haz-mat incident ..... Feb. 42
Triple threat ..... Mar. 18

Hose

Getting the most from large-diameter hose (Vol. Corner) ..... Oct. 8
Preconnected hose lines (Vol. Corner) Apr. 8

Industrial

Sharing training resources—a success story ..... Oct. 22

Isman on Hazardous Materials

Common nonexotic hazardous materials Oct. 10
Moving haz-mats by rail ..... Aug. 10
Moving haz-mats by truck ..... Sept. 8
Pipelines demand pre-incident planning Dec. 10
Pipelines: potential for a major incident Nov. 8

Maintenance

Breathing appar. maintenance: Fort Lauderdale ..... May 16
Breathing appar. maintenance: St. Paul May 17
How to keep appar. rolling ..... Jan. 23
Maintenance—a confession from a convert (edit.) ..... Jan. 6
Microcomputer maintenance ..... Mar. 25
No-cost, low-cost maintenance program Jan. 42
Oil analysis allows longer change intervals ..... Jan. 26
Pump maintenance ..... Jan. 36
SCBA air purification ..... May 49
When it's 30 degrees below zero ... Jan. 28

Management

Apple applications in a vol. dept. ... July 30
Atlanta's second burning ... July 40
Emergency preparedness ... July 39
Fitting People to Positions (Vol. Corner) May 8
Have you got a minute? (edit.) ... May 6
Intl. concepts in fire prot. ... Aug. 66
Investigating Fire Disasters ... Apr. 33
Management of pub. fire ed. ... Sept. 50
Memo: to the chief ... Aug. 24
Memo to the city administrator ... Nov. 44
Participative mgmt.: Charlottesville . July 45
Participative mgmt.: Longmont ... July 45
Using microcomputers ... July 30

National Fire Academy

A look at the National Fire Academy . Feb. 36
Do we need an "Emmitsburg West"? (edit.) ... July 6

Operations

Fighting pier fires ... Oct. 28
Four styles of command (Vol. Corner) Nov. 6
Getting the most from large-diameter hose (Vol. Corner) ... Oct. 8
Lloyd Layman's theory (Vol. Corner) Feb. 10
Preconnected hose lines (Vol. Corner) Apr. 8
Truck work—a must (Vol. Corner) ... Sept. 6
Ventilation—overlooked basic (Vol. Corner) ... Aug. 8
What's this big stream stuff? (Vol. Corner) ... June 8

Pre-fire Planning

Shopping malls demand a pre-incident action plan ... Oct. 18

Protective Clothing

Redesigning protective clothing ... Apr. 12
Seven fire fighters caught in explosion Apr. 20
The making of a turnout coat ... Apr. 39

Rescue/EMS

Bridge rescue ... Nov. 36
Buried alive ... Aug. 26
Bus/truck crash ... Aug. 70
Competition: EMS ... Feb. 16
Competition: rescue ... Feb. 16
Competition vs cooperation ... Nov. 24
Consider the carabiner ... Apr 29
Earthquake ... July 22
Elevator rescue operations ... May 35
Extra effort eased the elements (Dispatches) ... July 56
Farm machinery extrication ... Nov. 28
Figure-8 knot holds up in rescue ... Oct. 52
Highway accident claims two lives (Dispatches) ... Nov. 12
Improving pub. support for fire serv. through EMS ... Nov. 55
Leo R. Schwartz: the essence of EMS Nov. 14
Paramedic engines ... Nov. 40
Radio comm. improved between paramedics & hospital ... Mar. 32
Rescue situation: car overturned, driver underneath ... July 34
Rising water threatens trapped driver (Dispatches) ... Aug. 52
Shifting gears in EMS operations ... Nov. 10
Train. EMS personnel to handle haz-mat incidents ... Dec. 20
Trapped in a swamp ... Feb. 28
Tri-city ambulance service ... Nov. 52
Triple threat ... Mar. 19

Research

Redesigning protective clothing ... Apr. 12
Selecting rope ... Apr. 15

Respiratory Protection

Confined space entry a neglected area of train. ... Nov. 16
Improving effectiveness of SCBA through train. (Vol. Corner) ... July 8
Maintenance: Ft. Lauderdale ... May 16
Maintenance: St. Paul ... May 17
Recycling equipment ... Nov. 18
Setting objectives for safe training .. May 38
SCBA air purification ... May 49
"This stuff is getting to us all" ... Apr. 24
Training maze on wheels ... May 31

Rope

Consider the carabiner ... Apr. 29
Figure-8 knot holds up in rescue applications ... Oct. 52
Selecting rope ... Apr. 15

Safety
